

THE #1 CONFERENCE CONNECTING ECE LEADERS & TEACHERS TO ELEVATED LEARNING

Greetings,

I wanted to take a moment to express my enthusiasm about an opportunity that I believe could greatly benefit our childcare center and the children we serve.

As you know, I am deeply committed to providing the best possible care and education for our young learners. With that in mind, I've come across a professional development conference focused on early childhood education taking place this summer. It is July 4- 7 in Houston, TX at the Marriott Marquis. I'm really excited about the possibility of attending!

This conference offers a wide range of keynotes and breakout sessions led by experts in the ECE field. I believe that by participating, I'll gain valuable insights into new teaching strategies, innovative classroom practices, and strategies for supporting children with diverse needs.

Attending this conference would not only enhance my skills and knowledge but also allow me to bring back fresh ideas and resources to share with our team. I'm confident that the knowledge and inspiration gained from this experience will positively impact our center and contribute to the continued growth and development of our students.

I understand the importance of balancing professional development opportunities with the needs of our center, and I am more than willing to discuss any concerns or logistics related to my attendance. The ticket for the 3 ½ day conference is \$499 and the hotel room is \$209 per night. I truly believe that investing in my own growth as an educator ultimately benefits our entire community.

Thank you for considering my request. I'm looking forward to the possibility of attending this conference and continuing to contribute to the success of our childcare center.

Sincerely,
